Dear Families and Governors,

Welcome back! We are looking forward to another fun-filled half term at Beech Hill in what is always a magical time of the year in school.

Included are a lot of dates for your diaries for the upcoming term so far: Please do make a note of these and check regularly for any new dates as they appear on Dojo.

Anti Bullying week

Anti-Bullying Week 2025 is taking place from Monday, November 10th to Friday November 14th in England, Wales, and Northern Ireland. The theme is "[Power for Good](#)," which encourages people to use their influence to speak up, support others, and prevent bullying. We will be adding in additional sessions across school to share this very important message.

Christmas Jumpers Days

As is tradition in Beech Hill, we will be inviting anyone who wishes to "get the wear out of" their Christmas jumper and attend school wearing these **every Friday in December** (and on our **Christmas dinner day** on the 16th December). Please note it would be school uniform on the bottom half for these days alongside the festive jumper!

Visits to places of worship

Looking towards Christmas and visits to places of worship, we would like to remind you that the expectation is that ALL children attend visits to any place of worship- regardless of their own religion. This is part of everybody's RE education entitlement and also a positive way that our children can forge links with our local community.

Appointments within school time

Request from our "office angels" please:

If your child has an appointment within school time which means they will need to leave school early or arrive late, please bring the evidence of this to show school so we can authorise this for you quickly.

Many thanks in advance.

Remembrance Assembly

We will be holding a Remembrance assembly next week on the 11th day at the 11th hour in school. Some of us will conduct a minute silence together. As a school community we will also remember the heroes who have fought for our country: now and then. Poppies and accessories are also on sale in the school entrance.
